- [REDACTED] need to use mikes for future presentations. I think this portion is useful + interesting but probably the least useful for this course.*
4. Please describe how the course benefited you. *It was an excellent update and the DDA Directorate.*

5. What suggestions do you have for improving this course? *It was an excellent course - I thoroughly enjoyed it.*

My only comment would be if possible to have the briefing room a little cooler. (Especially in afternoon). Movies + Speakers were excellent. Course Director has really put together a good package.
